This will be accomplished through the use of Our Heavenly Father's Divine doctrine 'That you do no harm to your fellow man/woman or their property'.

With this in mind and working unified (with all due respect to other Sovereigns, their similarities and or diversities) beyond the scope of non-living entities (i.e.; corporations, defacto governments and or foreign rule), we can then facilitate; proper, just, transparent and accountable representation of and to the people through the use of ethical and moral practices, able to be facilitated through the use of consultation, permanence, absoluteness, comprehensiveness and indivisibility processes utilising; new, current and suppressed technologies. The use of renewable and unmetered technologies will be the new norm under the Aotearoha Kāwanatanga.

The ability for us to co-create better outcomes and environments resides within us all. Aotearoha Kāwanatanga affiliates will administer to our inherent rights through the Royal Charter, ensuring the aspirations, prosperity and well-being of all, paving the way for us to eliminate famine, disease and suffering, thereby enabling us to finally embrace one another with the dignity and spirit of our Heavenly Fathers grace and love.
