

QUICK STARTUP PROCESS WITH GAIN2U MATRIX.

1. Our trading post is for product and service exchanges that has a built-in credit-back and crowd sharing solution for a sustainable future of economic growth and stability.
2. Invite 10 plus subscribers and qualify for future ongoing rewards from our crowd sharing infrastructure. List, sell or exchange your unused items or hourly labor services to build a credit-line for exchange.
3. Each subscriber can open an account on platform one for an initial one-off startup cost of €250, then a monthly donation of €20 thereafter. This provides a one year in advance service bond plus a €10 donation into a shared credit pool of active sponsors to establish a reward system for residual returns.
4. Each subscriber can advertise items for credit exchange. Credits accumulate in an internal e-wallet account that can be used to buy, sell swap, barter, trade and exchange goods and services, for and initial upfront cost or up to a 10% tithe on the success of a sale or both.
5. Businesses can join the mahi-tahi cooperative business directory for €99 a year from within the member's login area.
6. An individual subscriber can join Manpower Outsourcing Foundation for recruitment and employment services for €99 a year.
7. Businesses can join Manpower Outsourcing Foundation for €199 a year for Tender and Manpower Recruitment Services.
8. Non-Government Foundations can affiliate with Aotearoha Kawanatanga for €399 a year for Hue-manitarian Projects and grants.
9. All subscribers can join Godzone Credit Exchange to increase their support network and credit line dramatically.
10. No tax, loans with interest or hidden fees can be charged. Any fees or service charges must have full disclosure for complete transparency or be refunded.
11. Any breaches of the rules of engagement or terms will result in e-wallet accounts being suspended for remedy with a 3 Strike your terminated entirely rule.
12. All subscribers can buy and transfer credits.
